Apple Media Services: Music - Favorite Stations

May 2019

File name Music - Favorite Stations.csv

File description This file contains details about radio stations created by the user either with the legacy iTunes Radio feature or, more recently, with Apple Music or Siri.

Why Apple keeps this information Apple retains this information for faster playback and also to populate lists of recently played stations or items for the user in Apple Music.

Field Name	Details
Station Id	Station identifying number
Subscription?	Whether the station was a subscription to another user's station (only applies to legacy stations created with iTunes Radio)
Shared?	Whether the station is sharable
Created	Date and time on which the station was created
Last Modified	Date and time on which the station last was modified
Deleted?	Whether the station has been marked as deleted
Station Description	The station name, if available
